### THIS MAN HAS REASON TO BE HAPPY...

...by enrolling free with Foodservice Rewards™, he now serves up opportunities for his business, just by doing what he already does.

**Do you purchase foodservice products?** If you have day-to-day responsibility for buying food for your operation, Foodservice Rewards is ideal for you - and your business. You still purchase the products you already buy, but now you can earn rewards to reduce the burden on your budget such as, replacing worn-out kitchen equipment or obtaining business essentials like computers, fax machines and laptops.

**Hundreds of qualifying products - over 1,000 rewards!** Because Foodservice Rewards has been developed by a group of leading food manufacturers there are hundreds of qualifying products to earn points on and over 1,000 rewards to redeem them against. Just keep an eye out for the yellow Reward Code labels as shown below!

**Enrol now at [www.foodservicerewards.com](http://www.foodservicerewards.com) by using enrolment code 8HR9-H3R3-89J8 during the enrolment process, or alternatively call 0800 328 2874.**

Join before the end of September to earn 250 Bonus Points towards the rewards you want!
